RAPIDLY DISAPPEARING
Greenspace

OPERATING ACROSS
**Allegheny
County**
AND SURROUNDING
COMMUNITIES

**2,800
Acres** IN
29 Municipalities

Themed Walks

Sensory Walk

- Colors
- Shapes
- Textures

Little Nature Walk

- What tiny things can you find in nature?

Themed Walks

Stiff Neck Walk

- What can you see while looking up?

Underfoot Walk

- What can you find by looking under the soil?

Themed Walks

Detective Walk

- Can you find clues that an animal has been nearby? What are tracks and scat?

Hide and Seek Walk

- Can you find a place where you can hide? What about a squirrel or a spider?

Themed Walks

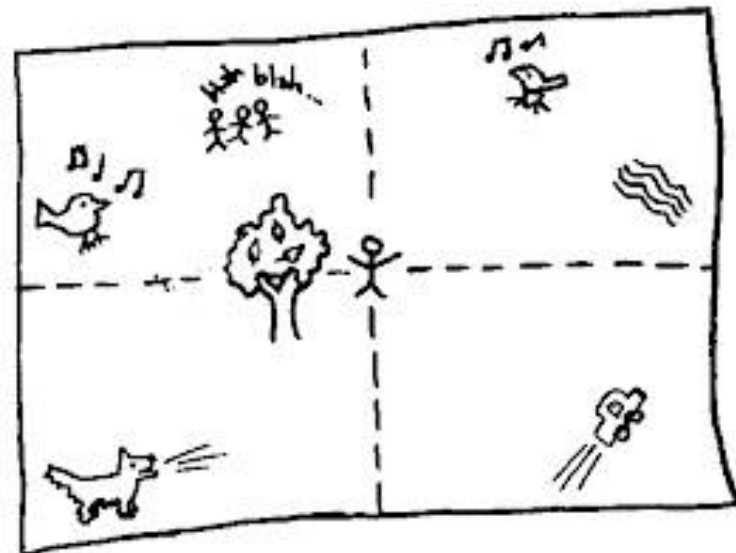

Rock & Roll Walk

- How many different sizes, shapes and textures of rock can you find? Can you roll them? Which roll best, why?

Sound Map Walk

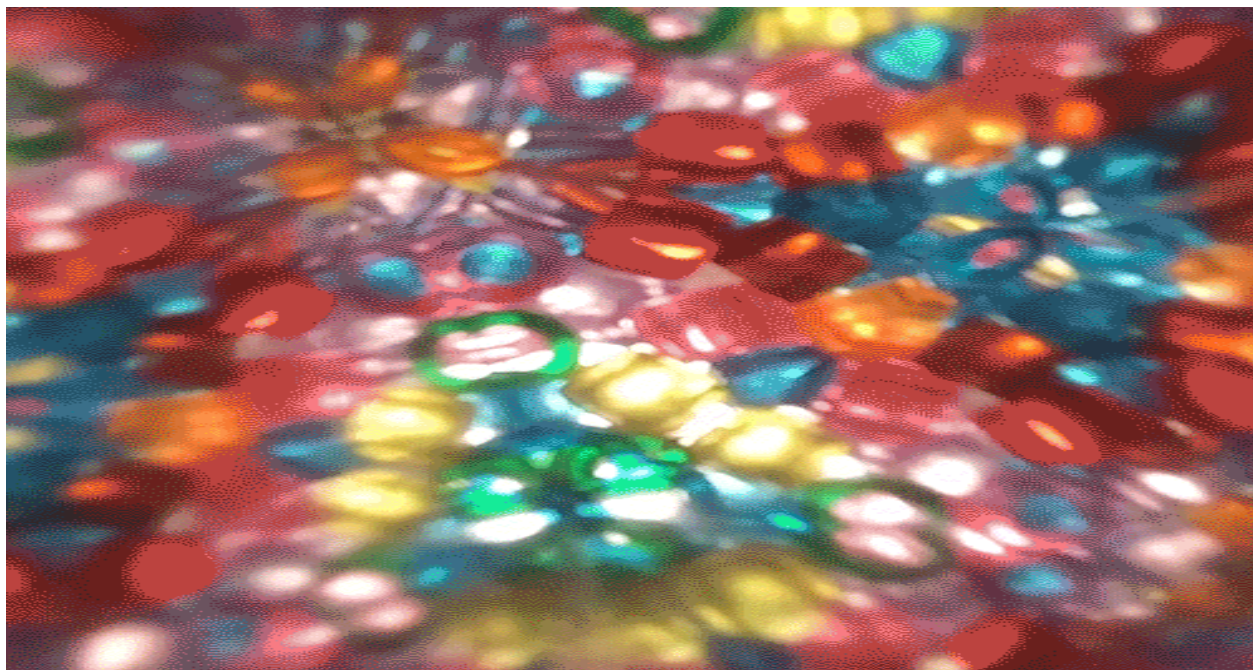

- Use a black piece of paper or paper or nature journal to “map” the sounds you hear while walking or enjoying a space.

Craft Time

We're going to make a nature kaleidoscope using all the colorful things we found on a sensory walk!
