

2019-2020 FAIRCHILD CHALLENGE MS Challenge 2: "Shade Our Schools – Leaves Are Cool!"

Maximum points for challenge: 200 points

Panel	Date:			

SPECIFIC REQUIREMENTS:

- A field journal summarizing the results of the data through text, drawings, photos and graphs
- Completed data sheets

Criteria		Judge 1 Initials:	Judge 2 Initials:	Judge 3 Initials:	Judge 4: Initials:
Observation					
 Sufficient, credible and relevant information is provided Students followed the protocol Field journal entries include notes, labeled sketches and observations Notes and observations are clearly conveyed 	25				
Artistry and Technical Abilities					
 Artwork demonstrates careful observations and a clear representation of the main distinctive traits of the leaves they choose Shows evidence of collaboration and teamwork 	25				
Research/Detail of Analysis					
 Analysis of the results and conclusions clearly show how leaf COLOR, SHAPE and SIZE affect leaf temperatures. Written analysis includes additional variables that may affect leaf temperature Written analysis demonstrates attention to detail 	100				
Writing Skills					
 Research is presented in a clear and well-written way Proper grammar, spelling and punctuation used throughout 	25				
TOTAL	175				

Collect temperature data for leaves of different colors, different shapes and different sizes as per Shade Our Schools protocol Data sheets must include temperature measurements of at least 3 leaves per variable 3 points Data sheets must be filled out completely (including the "notes" section) 3 points Data sheets must include the temperature measurements for the reference material 3 points Complete data set must be submitted with Field Journals 1 points Title page of field journal must clearly indicate school name, teacher name(s) and how many students or classes were involved in the collection of data and the creation of field journal Field journal must include a combination of text, labeled drawings, photos and graphs summarizing the results Field journal must include an analysis of the results and conclusions 7 Field journal must be 8.5" x 11" or less, and 12 double-sided pages or less, excluding the front and back cover pages. Pages cannot include additional attachments or be used as pockets Submitted on time (late entries may not receive points) Entry Form submitted with entry. Meets Requirements (circle one): Y / N AVERAGE: JUDGES' SCORES FROM SUBTOTALS TOTAL SCORE: ADD REQUIREMENTS TO AVERAGE	School: Student(s):
