Let’s Move Pittsburgh Champion Schools Application Guidelines 2020

Let’s Move Pittsburgh, a collaborative program of Phipps Conservatory and Botanical Gardens provides children and their caregivers with the knowledge, tools, and support needed to make nutritious food choices and lead active lifestyles. Inspired by the former Let’s Move! a national campaign to improve children’s health, we aim to put solutions into swift action here at home.

About the Champion Schools Initiative

PURPOSE
Let’s Move Pittsburgh wants to celebrate and reward Champion Schools for being leaders and innovators of healthy lifestyle programming for children. Since students spend the majority of their day at school, it is important that kids have the chance to be physically active and eat healthy foods before, during and after the school day. We want to help every early childcare center, pre-K and elementary school in Allegheny County become the healthiest place for kids to learn and grow. Therefore, we are excited to launch the Champion Schools program for the sixth year to support new or existing programs geared towards children’s health and wellbeing.

AWARDS
Applicants may apply to one of the following mini-grant opportunities:

- **Champion Schools Seed Mini-Grant ($1,000):** This application is for schools that are proposing new programs and are in need of tools and resources to turn their ideas into action. These Champion Schools will be awarded funding for implementing their new programs.

- **Champion Schools Awards Mini-Grant ($1,000):** This application is for schools with existing programs or projects that are already in place and can provide Let’s Move Pittsburgh with evidence of impact. These projects will be celebrated for their great work and awarded funding for continued support.

Please note that all money must be used for program or project costs (expansion, incentives, equipment, measurement, evaluation, etc.). Funds should not be used for direct school staff support.

ELIGIBLE PROGRAMS/PROJECTS
Let’s Move Pittsburgh is looking for Champion Schools whose programs or projects are focused on at least one of the following areas:

- **Bag the Junk:** These projects aim to increase healthy food and nutrition education in schools. Example projects may include the following:
  - An initiative to remove junk food from the school setting
  - A nutrition education program
  - Healthy concession stands
  - Water campaign
  - Healthy snack or breakfast program
• **Get Kids Moving**: These projects aim to increase physical activity in and out of schools. Example projects include the following:
  - Classroom physical activity breaks
  - An afterschool exercise club
  - Structured recess games
  - Kinesthetic classrooms

• **Teach Kids to Grow and Cook Food**: These projects aim to increase knowledge of how to grow and prepare fresh, healthy food. Example projects include the following:
  - A school vegetable garden
  - An afterschool healthy cooking club
  - Healthy cooking lessons from local chefs
  - Classroom wall gardens or tower gardens

• **Sustainable Citizenship**: These projects aim to expose students to a variety of opportunities to learn about making a great impact in the community. Example projects include the following:
  - A school recycling or composting program
  - An afterschool science club
  - A pollinator garden

**WHO MAY APPLY**
Educators, administrators, students, food service directors, school nurses and/or parents on behalf of a licensed early childcare center, pre-kindergarten or elementary school, grades K – 8, in Allegheny County. All applicants must receive permission from the school principal to apply for funds.

**APPLICATION TIMELINE**
Complete and submit your application here: [https://www.surveymonkey.com/r/YLPKPDK](https://www.surveymonkey.com/r/YLPKPDK). Your completed application must be submitted by Wed., April 1, 2020 at 10 am. Winning applicants will be notified in May 2020.

**THINGS TO DO BEFORE COMPLETING THE APPLICATION**

1. **Collect information about your school.** You will need several pieces of information to complete the application. Be sure to gather (1) school contact information, (2) school enrollment information, (3) percentage of children who qualify for free or reduced school meals and (4) how many children are expected to participate in your proposed program.

2. **Build a Champion School team!** The application will require you to list a project lead and a co-lead upon applying. However, your application will be more competitive if you have a strong and diverse team in place. If your school has a School Wellness Committee, that is a great starting place to solicit feedback and brainstorm ideas that you would like to see in your school. An effective school health system uses a team approach to guide programming and facilitate collaboration between the school and the community.
3. **Visit the Let’s Move Pittsburgh website** [letsmovepittsburgh.org](http://letsmovepittsburgh.org) to learn about our programs, partners, speaker series and symposiums. Keep the mission of Let’s Move Pittsburgh in mind as you fill out the application.

4. **Identify existing resources** you can use for free. Our [Raise Your Hand for Health](http://raiseyourhandforhealth.org) guide may be a useful tool for this process. Then, ask Let’s Move Pittsburgh to cover the costs you could not otherwise pay for yourself. Provide an itemized budget that clearly states how you will spend the funds. No funds should be used to cover the salaries of school staff. The funds should be used to purchase supplies, materials, equipment, instructor fees, incentives, event costs, evaluation, and other creative uses.

5. **Preview the application beforehand.** The application can be previewed at the end of this document to help you prepare for the application process. You will complete the actual application process using Survey Monkey.

6. **Develop a detailed project plan for your program.** You will be asked to provide details about your program, specifically: *frequency and duration* (the extent and how often the program will take place), *delivery method* (who and how your health message or activity will be carried out) and *tangibles/materials* (any hands-on tools, equipment, food and learning resources).

7. **Formulate your goals to demonstrate project impact.** Listing your program goals will allow us to understand how the students will benefit from your proposed program. We are looking for programs that have the potential to increase attitudes, awareness, knowledge and healthy behaviors in children over time. Be creative, but keep in mind that goals are meant to be specific and attainable by the one-year timeline. Here are some examples:
   - By the end of this program, our students will be able to list two different fruits and two different vegetables that they tried in their smoothies.
   - By the end of this program, our students will have been exposed to the basics of rollerblading.
   - By the end of this program, our students will be able to successfully pot a plant and care for it on their own.

8. **Consider adding a family or take-home component to your program.** Take-home resources or healthy activities for the entire family help to reinforce healthy habits at home. Programs with a family component will stand out!

9. **Contact us with questions.** Check out our frequently asked question below or contact Heather Shannon [hshannon@phipps.conservatory.org](mailto:hshannon@phipps.conservatory.org) for questions about the application.
SCORING
Applications will be scored by multiple reviewers using three main criteria: need, sustainability, and impact. Reviewers will score the applications on a 100 point scale. Please review the following scoring guide before you complete your application.

Champion Schools mini-grant application review criteria and scoring rubric:

<table>
<thead>
<tr>
<th>Criteria</th>
<th>Scoring Guide</th>
</tr>
</thead>
<tbody>
<tr>
<td>Clear description of the persons responsible for leading activities (Q4).</td>
<td>0 Nobody is specified; 1 A person or group is named; 4 A person or group is named and their qualifications are specified</td>
</tr>
<tr>
<td>The proportion of children qualifying for free and reduced-price lunch (see Q6)</td>
<td>1 point: 0 - 10%, 2 points: 11 - 20%, 3 points: 21 - 30%, 4 points: 31 - 40%, 5 points: 41 - 50%, 10 points: 51 - 60%, 15 points: 61 – 70%,18 points: 71 – 80%, 19 points: 81 – 90%, 20 points: 91 – 100%</td>
</tr>
<tr>
<td>Program will impact a large proportion of the site’s population (Q7/Q6)</td>
<td>0 points: Does not specify how many kids project will impact, 1 point: Project will impact less than 1/3 of the site’s population, 4 points: Project will impact 1/3 – 2/3 of the site’s population, 6 points: Project will impact more than 2/3 of the site’s population</td>
</tr>
<tr>
<td>Goals are attainable (see Q17)</td>
<td>0 points: Goals seem unattainable 1 point: Goals seem somewhat attainable, 8 points: Goals are very attainable</td>
</tr>
<tr>
<td>Addresses a significant gap in the school wellness programming (Q19)</td>
<td>0 points: No gap in school wellness programming indicated, 4 point: Program addresses a small gap, 8 points: Program addresses large gap</td>
</tr>
<tr>
<td>Dosage/frequency (Q21).</td>
<td>0 points: Yearly, 1 points: Once per semester/quarter, 2 points: Monthly, 3 points: Weekly, 4 points: Daily</td>
</tr>
<tr>
<td>Clear description of program activities (Q22).</td>
<td>0 Activities are not described to 8 Activities are described in detail</td>
</tr>
<tr>
<td>Take-home element exists and is specified (Q24).</td>
<td>0 No take-home element is proposed; 2 A take-home element is proposed but not well explained; 4 A take-home element is proposed and explained</td>
</tr>
<tr>
<td>Clear description of the program’s plan to address the significant gap between the school wellness policy and the student’s needs as learners (Q26).</td>
<td>0 Activities are not described to 8 Activities are described in detail</td>
</tr>
<tr>
<td>Plan for future success of program is thorough (Q27).</td>
<td>0 points: Plan is unspecified; 1 point: Plan lacks specifics; points: Plan has some specifics: 5 points: Plan details multiple specifics that are effective</td>
</tr>
</tbody>
</table>
FREQUENTLY ASKED QUESTIONS

What is the difference between the Champion Schools Seed Mini-Grant and Champion Schools Award Mini-Grant?
Applicants can choose to apply for a Champion Schools Seed Mini-Grant or a Champion Schools Award Mini-Grant. Schools that want to start a new program should apply for the Champion Schools Seed Mini-Grant to help get the program started. Applicants can request $1,000 to kick start their program. Schools that want to be recognized for an existing program or project should apply for the Champion Schools Award. Programs that have evidence of success and impact can receive recognition as a Champion Schools and model best practices for other schools in the Greater Pittsburgh community.

Why is the application only open to Allegheny County early childhood centers, pre-kindergarten and elementary schools?
Research tells us that in order to impact child health, we need to reach children with healthy messaging as early as possible. If your school is located outside of Allegheny County or working with the adolescent population, please still visit www.letsmovepittsburgh.org or contact Let’s Move Pittsburgh for information on other ways to get involved in our movement.

Can one school submit multiple applications?
Yes, technically your school can submit more than one application. However, Let’s Move Pittsburgh will only award one mini-grant per school. Please pick your best program to be featured on the application rather than submitting multiple applications.
What if a school has already received funds from Let’s Move Pittsburgh in 2015, 2016, 2017, 2018 or 2019?
Your school may only receive one mini-grant per calendar year. If your school received a mini-grant in 2015, 2016, 2017 2018, or 2019 please apply again in 2020!

Why are Healthy Fundraisers required?
Fundraisers are a great way to support your health and wellness programs and make them sustainable for future school years. Traditionally, some fundraisers involve selling unhealthy foods like candy, chips and sugar-sweetened beverages. Let’s Move Pittsburgh challenges schools to use alternative methods that do not involve unhealthy foods like healthy concession stands, walk-a-thons or craft fairs. Please note that you have the option of starting a new healthy fundraiser OR adding a healthy component to an existing school fundraiser.

How will I be evaluated?
The Let’s Move Pittsburgh team finds value in evaluation to gain data and insight on the successes of your program! If awarded, you will be asked to participate in our evaluation process during the funding year. For the evaluation process, you will be required to complete two progress reports that ask basic questions about your program. Our team has worked hard to ensure the evaluation process is quick and easy but also gathers meaningful data for our records and yours!

APPLICATION PREVIEW
Please select the type of award you are applying for:

Champion Schools Seed Mini-Grant ($1,000): This application is for schools that are proposing a new program and are in need of tools and resources to turn their ideas into action. These Champion Schools will be awarded funding for implementing their new program.

Champion Schools Awards Mini-Grant ($1,000): This application is for schools with an existing program or project that is already in place and can provide Let’s Move Pittsburgh with evidence of impact. These projects will be celebrated for their great work and awarded funding for continued support.

Champion Schools lead or project manager:
Name
Position/Role
E-mail Address
Phone Number

A co-lead is required for the Champion Schools Project. Please provide the contact information for your program co-lead.
Name
Position/Role
Please provide the names, position/role and email of any additional project team members (including, but not limited to educators, administrators, parents, nurses, school food professionals, school wellness committees, etc.).

School or Child Care Facility Information:
School/Child Care Facility Name
District (if applicable)
Address Line 1
Address Line 2
City/Town
Zip Code/Postal Code
Phone Number

School or Child Care Facility Data
Number of Students
Percentage of Students Eligible for Free and Reduced Price Lunch

What is the estimated number of children expected to benefit from this program?

Are you a public or private institution?
Public
Private

Please submit the principal's name and email. By submitting this information, you are confirming the principal approves of this mini-grant proposal.
Name
Email Address

Eligible programs are located in Allegheny County.
If you are a childcare center applying, is your facility currently licensed by the state of Pennsylvania?
Yes
No

Does your program participate in the Keystone STARS?
Yes
No

Is your program located in Allegheny County?
Yes
No

**Does your program serve exclusively children between Pre-K and 8th grade?**

Yes

No

**Which age group does your program serve? (Select all that apply)**

- Early childhood
- Pre-K
- Elementary school
- Other (please specify)

---

**CHAMPION SCHOOLS PROGRAM DETAILS, PLAN AND EVALUATION**

Whether this school program is already in place OR is a proposal to make change in your school, the details, plan, and evaluation sections of this application will be the same for both Champion Schools Seed Mini-Grant and Champion Schools Awards Mini-Grant.

**Indicate the focus area for your school/child care facility program (select all that apply).**

- Bag the Junk
- Getting Kids Moving
- Teach Kids to Grow and Cook Food
- Sustainable Citizenship

---

**What is the name of your program?**

---

**Program Goals are general statements of what the program intends to accomplish. They are broad affirmations of what you hope students will achieve, learning outcomes and concepts by the end of the program.**

**Example: "By the end of this program our students will be able to identify 3 new vegetables."**

*Please state and describe at least 3 of your program goals and how they will benefit the students exposed.*

- Goal #1
- Goal #2
- Goal #3

---

Title
What are the target grade levels or age groups for your program?

Title

How would this program address the wellness deficiencies in your community? (100 words or less)

What time of day will your program target (select all that apply)?

Before School
During the School Day
After School

How often will your program occur?

Daily
Weekly
Monthly
Once per quarter/semester
Once per school year
Other (please specify)

What will be the main activities of your program and who will lead these activities? (200 words or less)

Please describe any hands-on-tools, equipment, food, or learning resources that will be provided to students. (200 words or less)

We strongly encourage applicants to incorporate a family or take-home element. Does the proposed program have a family or take-home element?

Yes
No

If yes to above, please describe (100 words or less)

How will your Champion Schools program address a significant gap in the school wellness programs or student's needs as learners? (200 words or less)

What steps will be taken to ensure the future success of the program beyond the completion of the Champion Schools Award? (i.e. financial sustainability)
BUDGET

Please move the sliders below to represent how much money the program will use for each category. Note all the categories cannot add up to more than $1,000.00.

Food

$0 ----- $1000

List food items and cost estimates

Classroom physical activity equipment

$0 ----- $1000

List physical activity items and cost estimates

Garden supplies

$0 ----- $1000

List garden items and cost estimates

Healthy cooking supplies

$0 ----- $1000

List healthy cooking items and cost estimates

Physical activity/recreational equipment

$0 ----- $1000

List physical activity items and cost estimates

Other (explain below)

$0 ----- $1000

List other items and cost estimates

Please indicate the final budget total for all budget categories? (Total should not exceed $1000.00)
TERMS AND CONDITIONS

If awarded a Champions Schools Grant, your school will be required to:
1. Lead at least one "healthy" fundraiser to raise additional funds for your project.
2. Complete an online evaluation survey at 6 months and 12 months to track the progress of your program.
3. Submit one blog post outlining your programs progress prior to March 2021.

*To ensure your schools eligibility for future Champion Schools Awards, all requirements must be met.

I agree to the terms and conditions.
I do not agree to the terms and conditions.
Other (please specify)

In addition to the $1,000 award, Let's Move Pittsburgh will lead a fun and healthy activity of your school's choosing! We will offer a classroom lesson, cafeteria activity or after school event to supplement the work you are doing in your school or child care facility.

Is your school interested in this opportunity?
Yes
No
