

Nature's Splendor Urn Arrangement – Materials List

A classic urn design, mixed winter evergreens and foliage, cones, pods, berries & your favorite trims.

Winter Evergreens:

2-3 boughs of either Noble Fir or Silver Fir, Douglas or Fraser Fir

10 to 12 pieces of White Pine tips

4 -5 pieces of Cedar, such as Port Orford, Gold Tip, etc. (You should be able to order a few pieces in advance from your local florist).

Boxwood for filler

Optional Greens: Such as, Carolina Sapphire, magnolia leaf, local holly or other locally sourced evergreens.

Cones or Pods: 5-6 medium sized pine cones (On picks, or wired)

Other suggestions: 3-4 Lotus pods on picks, or any other pods you may have or can source locally

Accent Ideas to personalize your arrangement: Choose a few ideas that will enhance your home decor.

2 ½ -3 Yards of Ribbons or cording, wired netting

Branches, glittered or snow flocked twigs

Artificial Berry stems, Curly Willow

Beaded , sugared or gilded Fruit (can be artificial)

Birds, bird nests, feathers

Cinnamon sticks

Deer Figurines

Angel figurines

Candy Canes

Jingle Bells

Butterflies

Faux succulents

Fresh Apples, Pears

Pomegranates

Oranges with Cloves

Eucalyptus

Holly

Snowflakes or stars

Snowmen, Gingerbread Men, Elves, Gnomes

Musical Ornaments

Glass Ball ornaments

Urn or Container: Should be plastic or watertight; evergreens need watered frequently; check daily.

Place arrangement in a cooler location, out of direct sunlight or direct air draft from heating system.
