It is now required that students purchase Katie Lee’s *Fundamental Graphite Techniques* as a reference for all your graphite drawing classes. The book can be purchased through the author’s website [https://www.katieleeartist.com/](https://www.katieleeartist.com/)
book is $45 (includes $10 shipping) and it takes 6-8 days to receive the book. The author encourages using PayPal to pay rather than a check.

For those students who are unable to purchase the book prior to class, the instructor will be displaying *Fundamental Graphite Techniques* pages throughout class.
