

## 2025-2026 FAIRCHILD CHALLENGE AT PHIPPS

### Elementary School Challenges At A Glance

Challenges	Type of Project	Due at Phipps by 5:00pm
<b>A. Biological Sculpture:</b> Phipps' Fairchild Climate Tails	Students will design one set of 3-10 sustainably crafted ornaments of animals like pets, farm animals, or wildlife near communities that are impacted by climate change.	<b>Friday, October 24</b>
<b>B. Food Science:</b> Planet to Plate	Students will create a 3D sculpture of their favorite meal with reused/recycled materials, describe the life cycle for each of the items on their "plate", and learn about where our food really comes from!	<b>Friday, December 5</b>
<b>C. Environmental Justice:</b> Making a Difference	Students will be asked to create a drawing of someone in their life that inspires them and how they contribute to making the world a better place. Then, students will create a list of ways that they themselves can help make the world a better place!	<b>Friday, February 6</b>
<b>D. Model Building:</b> Journey of Sustainable Soles	Students will design a pair of shoes using recycled/reused materials that represent their personal journey in sustainability.	<b>Friday, March 13</b>
